

YASS RAILWAY

HERITAGE CENTRE

A New Tramway

- Yass Tramway was formally opened in April 1892
- The tramway line was 4.8kms long
- Built under the Tramway Act 1886
- Shortest platform in NSW

The Last 5 years

- Increased membership 5-30
- New Constitution
- Tax deductible gift status achieved
- Increased revenue
- Improved site amenities & grounds
- Started accreditation journey

Our Plans

- Preserving 1.5kms of track
- Connecting two museums and other community attractions
- No trackside infrastructure
- Ground loading trams increase accessibility
